FROM THE DESK OF THE PRINCIPAL

Today is Veterans Day and this is a very special day when we get a chance to thank the many veterans who have helped to make our nation great! The United States exists because of the sacrifices of so many veterans and their families. We honor the many men and women who have given so much to assure our liberty. We salute, honor, and thank our veterans.

AMERICAN EDUCATION WEEK

The week of November 14th is American Education Week. That week is an excellent opportunity for parents to visit classrooms and see what students are doing on a daily basis in school. The National Education Association's theme for the week is, "*Great Public Schools: A Basic Right and Our Responsibility.*" This is the only week during the school year when parents do not need to contact the school ahead of time to set up a visitation. Feel free to just come in and visit your child's classroom.

PARENT-TEACHER CONFERENCES

Fall conferences will be held at LES on November 21st-23rd. Parents will be able to sign up for conferences using the online Synergy Conference Management system beginning on **Friday, November 4th at 9:00 a.m.** The system will close on Friday, November 18th at 4:00 p.m. If you need to schedule or change a conference after November 18th, you will need to call the office at 410-313-5506. **Directions for scheduling conferences were sent home earlier this week on Tuesday, November 1st.**

We recognize that many parents may want to conference with their child's math teachers but, in order to ensure that all parents have the opportunity to meet with their child's language arts teacher and to value the limited time that teachers have available, we appreciate your understanding in only scheduling a conference with your child's homeroom/Language Arts teacher.

If you need to schedule a conference with a related arts teacher, please email the related arts teacher directly. Email addresses can be found on our website <http://les.hcps.org>

GT Math Conferences:

GT math conferences will be open for 4th grade parents during fall conference times. 5th grade parents will be invited to schedule conference times with GT math teachers during conferences in February.

Mrs. O'Connor's 3rd grade math students will conference with her during our February conferences.

Sincerely,

Debra Anoff
Principal
