FROM THE DESK OF THE PRINCIPAL

Today marks the end of the 2nd marking period, which means we are at the halfway point of the school year. In some ways the beginning of the school year feels like a long time ago, but in other ways it is hard to believe that we have already reached the halfway point. Students' 2nd marking period report cards will be coming home on Friday, February 3rd. Please take some time to look at the report card with your child. As you look at it, be sure to point out things about it that make you proud (effort and/or behavior grades that have improved, positive parts of the comment, letter grades, that have improved) as well as set goals for the second half of the year. Along with report cards come parent-teacher conferences.

Winter conferences will be held at LES on March 9th and 10th. Parents will be able to sign up for conferences using the online Synergy Conference Management system beginning on **Friday, February 17th at 9:00 a.m.** The system will close on Friday, March 3rd at 4:00 p.m. If you need to schedule or change a conference after March 3rd, you will need to call the office at 410-313-5506. **Directions for scheduling conferences will be sent home again in February.**

We recognize that many parents may want to conference with their child's Language Arts/Homeroom teachers but, in order to ensure that all parents have the opportunity to meet with their child's math teacher and to value the limited time that teachers have available, we appreciate your understanding in only scheduling a conference with your child's math teacher.

If you need to schedule a conference with a related arts teacher, please email the related arts teacher directly. Email addresses can be found on our website <http://les.hcpss.org>

GT Math Conferences:

GT math conferences will be open for 5th grade parents during winter conference times. Mrs. O'Connor's 3rd grade math students will conference with her during our Winter conference times.

I would like to personally congratulate Rowan Hastings (photography) and Cassidy Hughes (Music Composition), two creative Lisbon students who each received First Place in their county-wide Reflections judging! This year's theme was "What's Your Story". Our students submitted some very thoughtful, creative, and beautiful entries and the judges were so impressed with your entries that they had a difficult time narrowing down the awards. Howard County students have so many hidden talents! Once again, CONGRATULATIONS to Rowan and Cassidy!

With many more cold days ahead of us, I want to remind everyone to check the weather forecast daily to ensure that our children are appropriately dressed. Please make sure your child has a winter coat, hat, gloves, etc. Outdoor recess occurs daily with the exception of inclement weather. In the event of unexpected delays and/or closings due to inclement

weather, please remember that information will be shared with the community through the following: the school system's website (www.hcpss.org), HCPSS News email and text message alerts, and the school system's cable TV Comcast 95 or Verizon 42.

Sincerely,

Mrs. Anoff
Principal

MIDDLE SCHOOL GIFTED AND TALENTED ORIENTATION/INFORMATION NIGHT:

All parents of current fifth graders are invited to attend the Middle School Gifted and Talented Orientation/Information Night on Thursday, January 26th at 5:30 p.m. in the Glenwood Middle School Media Center. Note that middle school placement recommendations will be mailed to homes approximately the last week of February.

GT PARENT ACADEMY: There will be a GT Parent Academy on assessment (covering CogAT, PARCC, and MAP testing) on Wednesday, February 8th from 7 - 8:30 p.m. at Howard High School. Anyone who is interested is welcome to attend.

COMMUNITY NEWS

LEARNING TOGETHER PROGRAM - AT BUSHY PARK REGIONAL EARLY CHILDHOOD CENTER - PRESCHOOL/PRE-KINDERGARTEN:

The Bushy Park Regional Early Childhood Center (RECC) preschool and pre-kindergarten programs are now accepting applications for classes for the 2017/18 school year. These classes include children with and without disabilities. The program's focus is helping all children develop communication, literacy, math, problem solving, motor, and social skills. Parents of children who will be 3 by September 1, 2017 or 4 years of age may contact Katie Hereth in the school office for an application package beginning mid-February.

All applications must be returned by the last Friday in March. A limited number of openings are available for children without disabilities. Children are selected based upon screening information given on the application form and the "Ages and Stages Questionnaire," as well as observations of the child's participation in a playgroup on April 7, 2017 from 10:00- 10:30 a.m. If necessary, a lottery process is conducted. If you have any questions, please contact Katie Hereth at (410) 442-2448 or (410) 313-5500.

ATTENTION PARENTS OF PRE-SCHOOLERS! Lisbon Pre-Kindergarten (LPK) is hosting their annual Open House Saturday, January 28th from 9-12. If you will have a three or four year old this fall, now is the time to register for the 2017-18 school year! LPK offers a unique pre-school experience. Come find out why LPK is often called one of Howard County's best kept secrets! We encourage all interested families to observe a class in session. GLENWOOD MIDDLE SCHOOL: Our team at Glenwood Middle School just won Best in State in the Verizon Innovative Learning App Challenge! That means our app concept is the best among all the middle school entries in Maryland. And it gets better—we are in the running for the app challenge "Fan Favorite" award. To win, our concept needs to get the most votes. **Help us win by texting "MPLOI" to 22333 by February 14th...Today would be great too!!**

Please forward this email so your friends can HELP OUR TEAM WIN! Thanks for all your support!
