Staff Appreciation Week is Coming!

Our Staff is OUT OF THIS WORLD

Join the Lisbon Elementary PTA and administration in recognizing our dedicated teachers and staff the week of May 1st – 5th. While we have lots of behind-the-scenes treats in store, students and families may want to acknowledge our amazing staff throughout the week by participating in one or more of these activities:

MONDAY, MAY 1st: YOU ARE A BLAST: Students can sketch a picture or create a rocket craft for their favorite teacher or staff member.

TUESDAY, MAY 2nd: REFUEL OUR SCHOOL. Send in a highlighter or any school supply for your favorite staff member to replenish the classroom stock. Items needed are *dry erase markers*, pencils, glue, crayons, and Kleenex.

WEDNESDAY, MAY 3rd: YOU ARE OUT OF THIS WORLD. Write something special about your teacher or staff member. On the attached Rocket Picture have your child color the picture and complete the sentence “You are Out of This World Because.....” and give it to their favorite teacher or staffer.

THURSDAY, May 4th: REFUEL MIND & BODY. Bring in a midmorning snack such as a Power Bar, fruit or trail mix for your teacher or a staff member.

FRIDAY, May 5th: YOU ARE THE BRIGHTEST STAR IN THE GALAXY. Have your child color and cut the attached Rocket, star and moon to make a Galactic Bouquet. You can attach to popsicle sticks, chenille stick, or straws. Or bring in a bouquet of bright colored flowers and add the rocket, star and moon to the bouquet.

In addition to homeroom teachers, don’t forget to acknowledge those staffers that have made a difference in your child’s life ... perhaps a specials teacher, instructional assistant, resource teacher, service provider or specialist, monitor or building worker, lunchroom staffer or administrator.

Thanks in advance for valuing the people who place the highest value on our kids! Questions? Contact: Kelly Brown, kbisms2nd@verizon.net, 410-489-5099.

Staff Appreciation Week

YOUR MISSION THIS WEEK:

Make sure your teacher knows he/she is the **BEST IN THE UNIVERSE!** You can start by surprising your teacher with this picture.

Please color the rocket and write a special note to your teacher. This part is mission critical! Remember to bring it to school with you on **Wednesday, May 3rd** for display on your classroom door.

SCREEN-FREE WEEK CHALLENGE: The Maryland General Assembly, Delegate Bob Flanagan, Delegate Trent Kittleman and Senator Gail Bates are inviting the students of Howard County elementary schools in District 9 to participate in the “Screen-Free Week Challenge.” Younger siblings are also encouraged to participate.

They hope that interested students will accept this challenge by giving up television (and other electronic devices with screens, unless it is school-related) for seven consecutive days and engaging themselves in more productive, creative and educational ways to spend their time. **This will happen in conjunction with National Screen-Free Week 2017 from May 1st thru 7th.**

Students who successfully complete the “challenge” will receive a personalized certificate. **Participants should mail the completed form to the Office of Gail Bates by Friday, May 26th.**

SCIENCE FAIR:

Your child is invited to participate in this year's Science Fair on Wednesday, May 24th during the Lisbon Lions Lollapalooza from 6:30-8:00 pm. The Lollapalooza is a popular event that showcases the remarkable things our extraordinary students have done this year at Lisbon Elementary School.

If your child is interested in doing a Science Investigation, Collection, or Invention at home, please visit the Lisbon Elementary School website (les.hcpss.org) to download documents with further information and instructions. Once your child has identified a project, also download, complete, and return the ***Intent to Participate*** form by May 1st. (If you do not have access to a computer, please request a hard copy of the specific forms you need from Mrs. Drews in the office.) Students who elect to participate will have their name read on the morning announcements and their name printed and hung on a hallway wall display. Directions on where and when to bring in the projects will be shared in future Lisbon Lines.

We are excited to highlight the commitment shown and the hard work done by the LES students this year. Many thanks for all of your support at home and in the building this year.

* Students in any grade may conduct a Science Investigation to answer a question/problem. Students will use *The Scientific Method* to learn the systematic approach to solving a problem.

** Students in Kindergarten, First or Second grade may submit a collection. Students will collect and organize something of interest, answering questions related to observations made while exploring their world.

*** Students in any grade may submit an invention. Students will use the engineering design process to create an invention that will solve a problem or answer a question.
