FROM THE DESK OF THE PRINCIPAL

Congratulations to our all our 3rd, 4th and 5th grade strings students. Your concert last night was fabulous and we are all so very proud of your hard work and progress this year. A special THANK YOU to Mr. Carter for his leadership and dedication to our instrumental music programs here at Lisbon. What a talented group of students we have at LES!! Way to go!

We have much to ROAR about this year! To share the many accomplishments of our students, all Lisbon Elementary School families and friends are invited to this year's School-wide Enrichment Fair and Science Exhibit on Wednesday, May 24th from 6:30-8:00 p.m. here at school. We invite you to come explore classroom projects made by kindergartners to fifth graders and view products created in Curriculum Extension Units (enrichment classes), Instructional Seminars (recess clubs), and G/T Mathematics classes. Also, peruse a variety of experiments from our scientists who completed a project at home. We hope to see you there!

If you are relocating out of the Lisbon Elementary School district for the 2017/18 school year, please advise the front office so we may prepare for the transfer of records at the end of this school year. You will be given the basic items needed to enroll your child/children in another school district and any additional records requested will be a school-to-school transfer once you have relocated. If you have any questions, please feel free to call Mrs. Drews at (410) 313-5506.

Sincerely,

Mrs. Anoff
Principal
