FROM THE DESK OF THE PRINCIPAL

This has been an extremely busy few weeks with many wonderful events happening around the building. Teacher Appreciation Week was celebrated this past week. We are so grateful to the amazing teachers here at LES and want to thank each of them personally for their dedication and commitment to the success of every student. We are very lucky to have such terrific teachers at Lisbon Elementary. We also want to express a deep appreciation and a heartfelt THANK YOU to our incredible PTA for all they do to support our students, teachers, and staff. We thoroughly enjoyed a week full of "Out of this World" treats, meals, and gifts!

We hope to see many of you this evening at our LES Talent Show. Students have been working hard to showcase their talent and are very excited about this evening's show. Students in the show are to arrive at 6:00 p.m. and report to the music room. The show will begin at 6:30 p.m.!

On Wednesday, May 10th we will hold our Annual New Kindergarten Parent/Student Visit Day and are very excited to meet many of next years new kindergarteners and their families. Our three wonderful kindergarten teachers, Mrs. Nicol, Mrs. Keenan, and Ms. Finn will greet our guests, read them a story, and do an interactive activity with them. Families are invited to join our PTA for a popsicle and time to meet and socialize with each other at the park in front of our school following the school visit. Mrs. Green and I are excited to meet our new friends and families.

Mark your calendars for next Wednesday, May 10th for our Band, Chorus, and Handbell concert as well as Wednesday, May 17th for our Strings concert. These beautiful evenings of music and LES talent begin at 7:00 p.m.

Our Annual LES Lollapalooza is right around the corner. This is an evening when student showcase all the amazing things they have been working on for the 2016-2017 school year! Student work will be displayed all over the school and our Science Fair projects will

be showcased in the media center. Our GT projects will be on exhibit in the cafeteria and gymnasium with students explaining their works of art. We hope to see you Wednesday, May 24th at 6:30 p.m.

Sincerely,

Mrs. Anoff
Principal

SCIENCE FAIR:

Your child is invited to participate in this year's Science Fair on Wednesday, May 24th during the Lisbon Lions Lollapalooza from 6:30-8:00 pm. The Lollapalooza is a popular event that showcases the remarkable things our extraordinary students have done this year at Lisbon Elementary School.

If your child is interested in doing a Science Investigation, Collection, or Invention at home, please visit the Lisbon Elementary School website (les.hcpss.org) to download documents with further information and instructions. Once your child has identified a project, also download, complete, and return the **Intent to Participate** form by May 1st. (If you do not have access to a computer, please request a hard copy of the specific forms you need from Mrs. Drews in the office.)

Students who elect to participate will have their name read on the morning announcements and their name printed and hung on a hallway wall display. Directions on where and when to bring in the projects will be shared in future Lisbon Lines.

We are excited to highlight the commitment shown and the hard work done by the LES students this year. Many thanks for all of your support at home and in the building this year.

* Students in any grade may conduct a Science Investigation to answer a question/problem. Students will use *The Scientific Method* to learn the systematic approach to solving a problem.

** Students in Kindergarten, First or Second grade may submit a collection. Students will collect and organize something of interest, answering questions related to observations made while exploring their world.

*** Students in any grade may submit an invention. Students will use the engineering design process to create an invention that will solve a problem or answer a question.
