HCPSS Student Code of Conduct

We view the code of conduct as a team effort. There are responsibilities for staff, students, families, and our community. Let's all do our part to make this year safe and successful for all!

Receiving Emails and Texts

Utilizing contact information submitted through the Family File, parents and guardians automatically receive emails from HCPSS and our school.

To comply with FCC & wireless carrier requirements, parents/guardians must opt in one time to receiving text message alerts. To confirm that you have opted in, text the word "YES" to 67587 from the cell phone number on file in HCPSS Connect Family File.

Unsubscribing to either an HCPSS or school email, will remove you from receiving all email messaging - including emergency notifications!

Please call the front office if you believe you are not receiving emails and/or text messages.

PreK-2 Standards-Based Instruction and Reporting

Starting this school year HCPSS will report student academic progress in grades **PreK to 2 using standards-based reporting.**

There are no changes to grade Grades 3-5 report cards. Intermediate grades will transition to standards based reporting in 2024-2025.

Standards-based reporting for PreK-2 will include:

- New grading codes (M, P, L)
- Revised report cards
- Clearer alignment to standards
- Updated Canvas gradebook information
- Rubric-based grading
- Parent support resources

What is Standards Based Instruction and Reporting?

1. Outlines consistent standards to be taught, is focused on learning goals, and sets purpose.
2. Reports student achievement *in reference to the standards they are taught* with consistent scoring practices.
3. Supports all students in reaching the standards.
4. Progress is reported compared to a standard - not compared to other students.
5. Is equitable.
