Getting Started!

The First Week of Kindergarten

ARRIVAL

- Please try to send your child to school the way he/she will arrive throughout the year.
- Staff will bring kindergarten students upon arrival to the cafeteria where they will be met by the kindergarten teachers to check in, and escorted to classrooms once everyone has arrived. We will gather all students in the cafeteria the entire first week of school and Monday 8/31. Starting Tuesday, 9/1, students will come directly to the classroom (we will teach them how).
- Please note LES arrival and dismissal times. **Students may enter the building at 9:00 and are considered tardy if arriving after 9:15. (9:16 is considered tardy.)** If your student arrives late, he/she must be signed in at the front office by a parent/guardian.

Dismissal

- Dismissal is at **3:45 PM.**

Expect buses to be slower with drop off the 1st weeks as we are diligent about double checking dismissal plans before having buses depart the school.

- Teachers will walk each child to his/her bus until he/she can do so independently.
- Changes in transportation require **a note** signed by the parent/guardian.

- If you are picking up your child before the dismissal bell rings, it is necessary for you to sign him/her out in the front office.
- Please wait in the front office for your child to be sent to you.

Communication

- Each child will have a **“Take Home” folder** labeled with his/her name. **You will receive this folder during our Open House this Friday, 8/21.** If you are not attending Open House, it will go home the 1st day of school.

- The “Take Home” folder will be sent home each evening and will contain important notices and completed class work.

- **Please clean out the “Take Home” folder** each evening and send it back each day.

- Notes to your child’s teacher and completed forms should be put into the folder. An adult will check the folder each day for these items. This is also the place to put lunch money if you are not paying online (best option for K).
- Please be sure to read the Lisbon Lines (our school newsletter.) It comes out weekly on Friday from the front office.

Your child’s teacher may also be reached by phone or email. The school phone number is: (410) 313-5506.

Dismissal Plans

To be filled out for the
1st day of school.

This form will be the 1st page in your Open House folder.

You will be asked to fill this form out so your child's teacher has explicit information about your child's daily dismissal plan.

You can fill it out at the Open House or simply return it on the first day of school.

We need to know about your **afternoon** plan!

Child's Name: _____

Directions: Choose the option that best describes how your child will go home daily.

Return for the 1st Day of School!

Kindergarten Tags

This Friday, August 21st is our open house for LES Kindergarten from 9:30-10:30 PM.

You will receive an identification tag in your child's Open House Folder requesting the following information: your child's name, school phone number, **PM Bus #** and **PM stop**. If your child does not ride the bus home, please note if they are attending an aftercare program or if they are a car rider.

On the first day of school, your child should have this tag attached to his/her backpack. These special tags help us identify our kindergarten students.

Click Here for the:

[Bus stop locator for 2026-2027 is available online.](#)

Kinder Tip:

You might want to take a pen to the bus stop the 1st day to jot the bus # on the tag before your child hops on.

EXTRA CLOTHES

- Please send in an extra set of weather appropriate clothing for your child on the 1st day of school (shirt, shorts, socks, underwear). It will be kept in the classroom in the event of accidents, spills, or falls on the playground.
- Place clothes in a large zip lock bag labeled with your child's name and his/her homeroom teacher.
- Clothes will be sent home to be swapped out as the weather changes seasonally.
- **Label all personal belongings** with your child's name (coats, lunchboxes, water bottles). Many times students need help identifying which items belong to them. This also helps staff locate items lost.

CLASSROOM SNACK

- **We will have an afternoon snack before center time at 3:10 PM.** Our lunch is early at 11:30 AM but the afternoon is long. Students often eat less during lunch as they are getting used to being in the cafeteria.
- Snacks must be sent **from home**. Due to known and possibly unknown allergies, we do not provide snacks to our students. Please also discuss with your child that we **should not share** snacks.
- Send in one snack only. Snacks should be **dry finger foods** to avoid spills and should also be **free of** common **allergens** such as nuts. There may be classroom specific allergens to avoid that will be communicated to you by your child's teacher.
- You may send a filled water bottle in with your child to use throughout the day. Please label the water bottle with your child's name.
- Snacks should be sent in a separate bag/reusable pouch **marked with your child's name and "Snack."** This bag should then be put into your child's backpack, NOT their lunchbox. **Talk to your child about what their snack is and where they may find it.**

Lunch Pin Numbers

- Each student will have a PIN number to punch in when they get a school lunch.
- We will send this number home in the first weeks of school to practice this number with your student so lunchtime can go smoothly. Staff will help students especially early in the year.

The Four Pillars of Early Mathematics

Number Concepts

Master counting to 100, compare quantities, and build a foundational understanding of base-10 and subitizing.

Algebraic Thinking

Solve basic addition and subtraction scenarios within 10, and identify, extend, and create repeating patterns.

Geometric Reasoning

Analyze and compose 2D and 3D shapes, utilize positional language, and compare measurable attributes like weight and height.

Data & Statistics

Organize, classify, and count mixed data sets into logical categories.

Our Math Program

- 65 minutes daily, starting with a brief whole group number routine.
- Students are taught in small, flexible groups to help each child reach and/or exceed the end of year objectives.
- Our program works towards developing problem solving skills and the ability to verbalize mathematical thinking.
- We encourage students to use varied strategies to make sense of a task using their own reasoning.
- Our program is hands-on, manipulative based.

Language Arts

Reading

- **Being a Reader** (BAR) program- scripted program used in K-2 classrooms across the county.
Includes:
 - Whole group instruction
 - Small group instruction
 - Handwriting instruction
 - Vocabulary instruction
- Heggerty is a phonics based program that is used in addition to Being A Reader Daily.
- Students must know most letters to begin in a small reading group with this program. Extra support will be provided to jump start students who are still working on letters/sounds.
- Additional support may be provided by our reading specialists, based on assessments and teacher observation.

Writing

- **Being a Writer** (BAW) program
- 7 Units:
 - The Writing Community
 - Getting Ideas
 - Telling More
 - Just the Facts
 - Explore Words through Poetry
 - Opinion Writing
 - Revisiting the Writing Community
- During guided reading rotations, students also work in their writing journals for daily practice.

Kinder Tip:

It may be helpful just to wear sneakers daily and to keep your child's book in their backpack when you aren't reading it.

Kindergarten Assessments

Understanding key benchmarks and evaluations to support your child's learning journey.

DIBELS LITERACY TESTING

Literacy Skills Monitoring (K-8)

A reliable assessment to monitor risk for critical literacy skills. Teachers use this data to tailor success interventions.

- **Assessment Schedule:** Conducted three times per year for all Kindergarten students.
- **Home Reports:** Results are shared with all families after each testing window.
- **Reading Plans:** Students flagged as red automatically receive a formalized intervention and reading plan. The plan for red students also includes access to the reading specialist. The plan ensures tangible steps to support students towards proficient reading by grade 3.

KINDERGARTEN READINESS ASSESSMENT (KRA)

Evaluating Preparedness & Current Skills

A specialized tool used to evaluate a child's foundational preparedness for kindergarten across key development areas.

- **Multi-Domain Evaluation:** Reports on critical math, reading, and social-emotional readiness.
- **Tailored Instruction:** Informs educators of classroom strengths and where extra support is needed.
- **Parent Discussion:** Teachers will meet with you to discuss these results directly.
- **MSDE DATA-**helps give data to improve pre-kindergarten programs in public and non-public settings.

Homework

- Begins in October.
- Optional for K per [HCPSS guidelines](#). Pre-k through grade 2 have no more than 20 min nightly of hw.
- Teachers will attach a monthly homework calendar in a journal and send it home. There will be a menu of activities to reinforce skills.
- Turn in the HW Journal on Fridays. If there is no school Friday, please hold until the next Friday.
- We ask students to read for 10 minutes and practice sight words Mondays-Thursday.
- Please record any written responses in homework journals.

Report Cards & Grading

What is Standards Based Instruction and Reporting?

1. Outlines consistent standards to be taught, is focused on learning goals, and sets purpose.
2. Reports student **achievement *in reference to the standards they are taught* with consistent scoring practices.**
3. Supports all students in reaching the standards.
4. Progress is reported **compared to a standard** - not compared to other students.
5. Is equitable.

Grading Practices for SBIR: Academic Reporting Codes

M

MEETS EXPECTATIONS

- Consistently demonstrates understanding and skill with content described in the academic standards
- May make minor errors, but the majority of the work is correct

P

MAKING PROGRESS

- Demonstrates some understanding and skill with content described in the the academic standards
- May need more instruction, support, or monitoring to meet the grade level standards.
- Errors show unfinished learning

L

LIMITED OR NO PROGRESS

- Demonstrates little (to no) understanding or skill with content described in the academic standards
- Requires more instruction, support, and monitoring to meet the grade level standards.
- Significant errors even with supports

Lisbon Elementary School Student Self-Check Form (primary grades)

Student Name: _____ Date: _____ Time: _____

This self-check form is a way for students to work with a staff member to improve and strengthen ROAR expectations in the school setting. It **IS NOT** a consequence. A self-check allows students to stop and think about choices as well as share with families at home areas we are working on at school. With our help and support, we can work together to help teach your student the expectations so that our student may learn in the school setting to his/her fullest potential. Your help and support is appreciated!

Dear Family,

- ☐ I used my RESET BUTTON and spoke to a staff member about the expectations.
- ☐ I am still having trouble showing (*circle the expectations that apply*).

Respectful Organized Always safe Responsible

- ☐ This is why I responded the way I did:

I wanted someone's attention.	I was angry with _____.	I didn't want to do my work.	I wanted to get away from _____.
I wanted help with my work.	I wanted something that someone had.	I don't know why. 	I wanted _____.

- ☐ Next time, I can _____

- ☐ I spoke to _____ about my new plan.

Birthdays

How birthdays are celebrated at school:

- Announced during the morning announcements
- Pencil/Sticker/birthday crown from teacher
- Summer birthdays:
 - August birthdays will be announced during the first week of school in 2025
 - late June/ July birthdays will be announced during the last week of school in 2026

- Birthday invites should be mailed/emailed if all students in the class will not be invited.

- We are unable to celebrate birthdays in school with food. Please do not send in cupcakes or other food items for the class. We will have to send them back home.

Field Trips

HCPSS field trips have ties to our kindergarten curriculum. We do ask for volunteers to chaperone field trips. All chaperones must complete 2 mandatory volunteer trainings before attending.

- [Review Confidentiality Training for Volunteers →](#)
- [Review Child Abuse and Neglect Training for Parents/Guardians →](#)

In the last 3 years we have had some combination of the following field trip experiences. Our field trips generally begin in March. Cost of buses/experience will determine where we go.

- HCPSS Library Visit (Glenwood Branch) March 31st visit
- Toby's Theatre
- Irvine Nature Center In-School Visit

Kindergarten Open House

This Friday, August 21st from 9:30-10:30 AM.

Make sure your family file is complete in HCPSS connect so you can view your child's teacher and know which room to visit.

What to expect:

You can **drop off your child's school supplies** on their desk. This will lighten your child's load on the 1st Day of School. Pre-ordered supplies are already in your child's classroom.

You will **check the name and spelling of your child's name** on their nametag. Teachers aren't always aware of nicknames, so touch base with your child's preferred name and pronunciation.

Make sure you take your child's Open House Folder. There is a lot of key information to get you started in K. **Most importantly your child's bus tag that needs to be filled out and affixed to their backpack for the 1st day of school! Fill out the dismissal form so we know how your child is going home from the 1st day of school.**

Go **say hello to your teacher**, introduce your child, take your welcome gifts and your Open House Folder.

Last, complete a simple **scavenger hunt**. Meet other incoming K students and families on the Lisbon Park Playground!

Questions

There will be a **QR code to a google form on the next slide** for any questions you still may have. Your questions will be organized by teacher. Some questions may require a personal response.

Other questions, that may be good for all families to hear, will be collected and the answers will be sent out to all.

Back to school night Powerpoints will be posted on the Lisbon website for all grade levels. You will also receive key information from this presentation in your Open House folder on Friday.

The screenshot shows a Google Form titled "Back to School Night Kindergarten Questions". The form has a header with a colorful polka-dot pattern. Below the title, there is a paragraph of text: "Thank you for attending Back to School Night. This is a place to capture any questions you may still have about kindergarten. You can record personal questions or questions that may help other kindergarten families. Our K team will look over the questions will put together a Kindergarten Q & A to be sent out to all families. If you question is personal in nature, please be sure to include your contact information so we can get back to you." Below this text, it says "The presentation will be posted after Back to School Night for your reference." At the bottom of the form, there is a section for the user's email, showing "molly_corbin@hcpss.org" with a "Switch account" link and a "Not shared" status. Below this, there are three question sections, each with a text input field for the answer. The questions are: "What is your name?", "What is your kindergarten's name?", and "Who is your child's teacher?".

1st Day Reminders

Put your kindergarten bus tag on your child's backpack. It is in your Open House folder. Make sure you filled out your **PM dismissal plan**. If you didn't make it to Open House or forgot your tag, we will put one on your child's backpack the 1st day. Please leave it on. You will also get your folder the 1st day of school.

Bring a change of clothes to keep at school.

Bring a water bottle.

Bring a daily snack, even if you are a lunch buyer. If you need support with snacks, let your child's teacher or guidance counselor know.

Send the Take Home Folder to and from school daily. Check it for important information. (this is the same folder you received at Open House.)
