# PBIS = Positive Behavioral Interventions & Supports

By reinforcing positive behaviors, schools find that teachers spend more time teaching, as class disruptions, office referrals and suspensions are reduced.

HCPSS has been involved with PBIS since 1999.

PBIS supports the success of ALL students

# Incident Report

Staff completes with the student <u>AFTER</u> multiple resets, conversations, and a Self-Check form has been provided.

Families <u>will receive a phone call</u> from the teacher regarding the incident & the form will be sent home for a guardian's signature.

While tracked by administration, this <u>does not</u> become part of the student's permanent record.

If Administrator follow-up is requested by the teacher and your student's action is determined to be an Office Referral, administration will follow up with you. This <u>does</u> become a part of the student's permanent record.

# Standards-Based Instruction and Reporting SBIR

Grades 3 - 5 2024-2025

## and Reporting?

1. Outlines consistent standards to be taught, is focused on learning goals, and sets purpose.

vynat is stariaar as basea iristruction

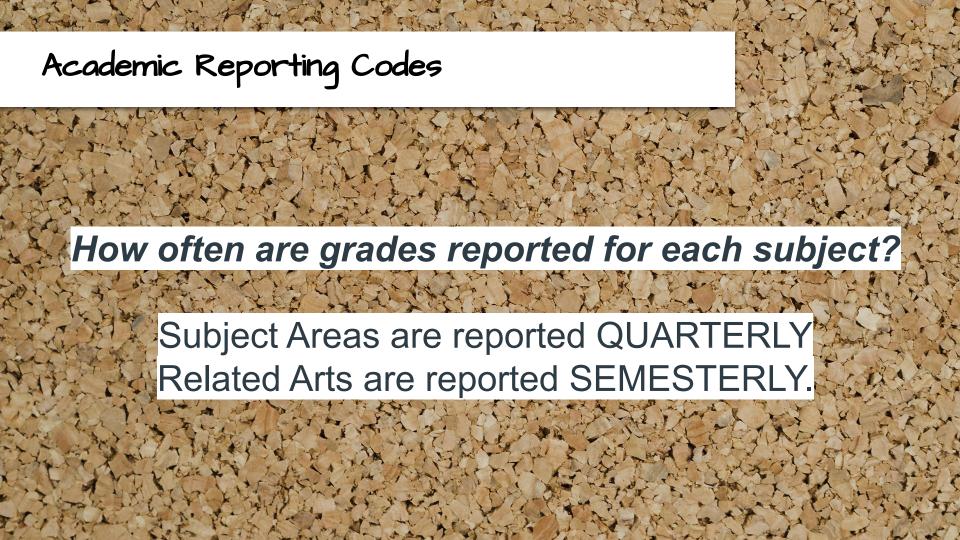

- 2. Reports student achievement *in reference to the standards they are taught* with consistent scoring practices.
- 3. Supports all students in reaching the standards.
- 4. Progress is reported compared to a standard not compared to other students.
- 5. Is equitable.

(Feldman, 2017; Brookhart 1994; Guskey, 2011; Guskey and Brookhart, 2019)

### What Do Academic Grades Look Like?

Progress toward meeting grade level standards will be reported based on multiple measures including, but not limited to, teacher observation, formal and informal assessments, classwork, and projects.

- A Consistently meets expectations (90% or higher)
- **B** *Frequently* meets expectations (89% 80%)
- C Making sufficient progress toward expectations (79% 70%)
- **D** *Making insufficient progress* toward expectations (69% 40%)
- E Limited / No progress toward expectations (39% or below)

Student performance - For grades 3-5 within curriculum standards is indicated by teacher assessment of the evidence noting the following	а
A – Consistently meets expectations (90% or higher)	
B – Frequently meets expectations (89% - 80%)	
C – Making sufficient progress toward expectations (79% - 70%)	
D – Making insufficient progress toward expectations (69% - 40%)	
E – Limited/No progress towards expectations (39% or below)	
Learning Behaviors - Indicates student demonstration of learning	
1 - Meets Expectation	
2 - Making Progress Towards Expectation	
3 - Limited/No Progress Towards Expectation
